

BRAINERD BAND HIGH SCHOOL

As the school year gets into full swing, you might be looking at the mallets that you purchased last year and realize that you need replacement mallets. At BHS we supply 99% of the percussion supplies that students need in band. However, we do require that student have their own “useable” set of general snare sticks, hard rubber xylophone mallets and medium-hard yarn marimba mallets. These three basic mallets are the responsibility of each percussionist to own and maintain. If you are in need of replacement mallets please purchase at *Bridge of Harmony* or turn the following form into Mr. Fogderud or Mr. Brandt by Friday, Sep. 12th.

Please note if you purchase mallets through the school, it comes out of your BHS Band Activity Account. This is the account that all fundraising dollars go into. You can either fundraise the money or write a check to BHS Band. All students will have a chance to fundraise this money this fall by selling Brainerd Music Coupon Books.
