

2nd Grade Winter Concert Lyrics:

Winter Waltz

Wintertime is full of surprises,
wonderful sounds fill the air.
Whispered wishes waiting for answers,
families gather to share.

So many wonderful reasons.
The most enchanting season of all.

Winter wonders never ending,
This winter waltz is for you.

So many wonderful reasons.
The most enchanting season of all.
Winter wonders never ending,
This winter waltz is for you.

This winter waltz is for you.

Mister Frosty Winter:

Mister Frosty, Frosty Winter,
why'd you have to come around?
We were happy with the autumn,
then you had to come to town.

With your cold wind, your cold wind
blowin'.
And all that, and all that snowin'.
You're really, you're really goin' too far,
too far! Oh!

Mister Frosty, Frosty Winter,
can't you see we're freezing here?
Won't you take a nice vacation,
and come again some other year?

Mister Frosty Winter,
why'd you have to come around?
We were very happy,
then you came to town.
With your cold wind blowin',
and your snowy snowin'.
We think you are goin' way too far! Oh!

Mister Frosty Winter,
can't you see we're freezing here?
Take a nice vacation,
and come some other year!

Combine both parts with each class
taking a part

Endings:
Some other really distant year!
Oh! Come again some other year!
Come again some other year!
Not now!

Winter, Begone:

How could anybody like the winter?
How could anybody like this cold?
How could anybody want to shiver, shiver,
shiver, shiver, shiver in the snow?
How could anybody like this weather?
How could anybody like this gray?
How could anybody want to shudder,
shudder, shudder, shudder night
and day?

chorus:

Winter, begone.
Winter, begone.
Winter, begone, so long, we're done, no
fun.
But the winter goes on and on.
Winter, begone.
Winter, begone.
Winter, begone, so long, we're done, no
fun.
But the winter goes on and on.
But the winter goes on and on.

How could anybody like this season?
How could anybody think it's nice?
How could anybody like the chilly, chilly,
chilly, chilly, chilly frost and ice?
How could anybody like this darkness?
How could anybody like this wind?
How could anybody like this gloomy,
gloomy, gloomy, gloomy state
we're in?

repeat chorus

On and on.
On and on.
On and on.
Winter, oh winter, begone!

Winter in America:

I like the snow. I like it deep.
So deep, it comes up to my nose. (Achoo!)
I go outside to check it out.
Before long, I can't feel my toes.
(Anyone seen my toes?)
But that's okay. I'm here to stay.
I'll sled down a hillside or two. (Whoa!)
I get into a snowball fight,
and come home before I turn blue.
(vocal chattering)

chorus:

Winter in America. Cold up North.
Ev'rything's frozen!
Winter in America. Warm down South.
You might go swimmin'!
Winter in America. All depends on where
you're livin'!

I like the beach! I like to swim!
I like getting tan on my head. (Ahhh!)
Sometimes I might lay out too long,
(Uh oh) and look like a lobster instead.
(Don't touch me!)
I ride my bike. Play volleyball.
I jump on the trampoline, too. (Wheee!)
I fly my kite. It's outta sight!
The fun outdoor things I can do!

Chorus

And so you see the differences.
Diverse winters in the same land.
How do they do it?
For some it snows. For some it rains.
For some it will be rather bland. (Yay.)
With snow or sun, by sled or sail,
or just hangin' out in the sun. (La, la, la!)
The good thing is, in either place,
our winter can be lots of fun! (cheering)

chorus:

four times:
Winter in America.
