

## Kindergarten Winter Concert Lyrics

### Snow Is Falling Today:

Snow is falling today.  
Snow is falling today.  
Snow is falling today.  
Snow is falling today.

On my head.  
On my nose.  
On my hands.  
On my toes.  
On my head.  
On my nose.  
On my hands.  
On my toes.

Repeat 4 times

### I See Footprints in the Snow

I see footprints in the snow,  
so I know where the bunnies go.  
I see footprints in the snow,  
so I know where the doggies go. La la.

I see footprints in the snow,  
so I know where the zebras go.  
I see footprints in the snow, so I know  
where the hippos go. La la.

Fluffy snowflakes falling down  
make a canvas on the ground!

So, I see footprints in the snow,  
so I know where the goldfish go.  
I see footprints in the snow,  
so I know where the penguins go. La la.

I see footprints in the snow,  
so I know where the Martians go.  
I see footprints in the snow,  
so I know where the T. Rex goes. La la.

La la.

La la.

### The Little Snowflake

A little snowflake fell out of the sky.  
At first it floated, then started to fly.  
It should have melted the warmer it got.  
But I can tell you that snowflake would not!

It was flying!  
It was flying!  
It was flying!  
Didn't have a care!  
It was flying!  
It was flying!  
It was flying in the air!

The little snowflake decided to dance.  
It didn't know how, but it took a chance.  
It skipped and jumped in a rhythmic display.  
It danced a waltz and a snowflake ballet!

It was dancing!  
It was dancing!  
It was dancing!  
Didn't have a care!  
It was dancing!  
It was dancing!  
It was dancing in the air!

The little snowflake decided to sing.  
It sang of summer and autumn and spring.  
It sang of winter and sounded so proud.  
The little snowflake was singing out loud!

It was singing!  
It was singing!  
It was singing!  
Didn't have a care!  
It was singing!  
It was singing!  
It was singing in the air!

It was flying!  
It was dancing!  
It was singing!  
Didn't have a care!

It was flying!  
It was dancing!  
It was singing!  
In the .....air!
