LITTLE GREEN FOUNTAIN

Chorus:

**There's a little green fountain on a little green mountain
Don't you think we ought to stop and get a drink of water
There's a little green fountain on a little green mountain
Don't you think we ought to stop and get a drink of water**

Oh the water is cool, and the water is BLUE
A drink for me and a drink for you
Oh the water is cool, and the water is BLUE
A drink for me and a drink for you

Chorus

Oh the water is cool, and the water is DEEP
Take off our shoes and cool our feet
Oh the water is cool, and the water is DEEP
Take off our shoes and cool our feet

Chorus

COME ALONG with me to the pasture now
We'll watch the wind blow on the cows
COME ALONG with me to the pasture now
We'll watch the wind blow on the cows

OCTOPUS'S GARDEN

I'd like to be -- under the sea
In an octopus's garden in the shade
He'd let us in -- knows where we've been
In his octopus's garden in the shade

I'd ask my friends to come and see
An octopus's garden with me

I'd like to be -- under the sea
In an octopus's garden in the shade

We would be warm -- below the storm
In our little hideaway beneath the waves
Restin' out head -- on the sea bed
In an octopus's garden near a cave

We would sing and dance around
Because we know we can't be found

I'd like to be -- under the sea
In an octopus's garden in the shade

DOWN THE OHIO

The river is up and the channel is deep
The wind is steady and strong.
Oh, won't we have a jolly good time
As we go sailing along.

**Down the river, oh down the river, oh down the river we go.
Down the river, oh down the river, oh down the Ohio!**

The river is up and the channel is deep
The wind is steady and strong.
The waves do splash from shore to shore
As we go sailing along.

**Down the river, oh down the river, oh down the river we go.
Down the river, oh down the river, oh down the Ohio!**
