## Words to Practice!

### ***Here We Go A-Shoveling***

#### Verse 1:

Here we go a-shoveling another path of snow.

Here we go a-trudging, we've got a mile to go.

Snow and ice, that's not nice. Let's stay in and just think twice.

Past the winter and well into the happy new spring. Let's stay put til the happy new spring!

#### Verse 2:

Here we go a-shoveling and shoveling some more.

Here we go a-wishing for spring, which we adore.

Snow and ice, that's not nice. Let's stay in and just think twice.

Past the winter and well into the happy new spring. Let's stay put til the happy new spring!

#### Verse 3:

Here we go a-shoveling among the flakes so dense.

Here we go a-sliding into the neighbor's fence.

Snow and ice, that's not nice. Let's stay in and just think twice.

Past the winter and well into the happy new spring. Let's stay put til the happy new spring!

#### Coda:

Here we go a-shoveling til Spring!

### **Small Group Singers Only:**

They look so peaceful flying from the sky, you almost could not guess  
That cats and dogs don't usually fly and they don't get along the best.  
But you'll see -- in the sky,  
Cats and dogs -- seem to fly.  
To fly!

Come tomorrow we're gonna play.  
Two feet deep and more on the way.  
We don't mind it anyway.  
Come on let it snow! Oh.

Snow--snow--snow-- Snow--snow--snow--  
Snow--snow--snow-- Snow snow snow. Oh.

Just what I need for driftin' to sleep.

## **My Red Sled**

My red sled lives in the shed on hot summer days.  
When it snows, then out it goes, singing as it plays!

La la la la, zoom zoom whoosh! See how fast I go!  
I like sliding very much on the clean white snow!

My red sled is really fun when the snow is deep.  
And it flies su-super fast, if the hill is steep!

La la la la, zoom zoom whoosh! See how fast I go!  
I like sliding very much on the clean white snow!

I like sliding very much on--the--clean--white--snow!

## **Winter Walk**

Winter sky. Blowing the snow around me.  
Falling down. Far as the eye can see.  
Evergreens bearing the weight of snowfall.  
Beauty breaks here on this winter walk.  
Oh.

Lovely white covers the rolling landscape.  
Winter frost covers each pane of glass.  
I can hear laughter as children play and  
I feel joy here on this winter walk.  
Oh.

### **Small Group:**

Sunlight sparkling on each flake of snow.  
Bright the day becomes, though it was gray.  
Feel the wonder of the world around us.  
See the brilliance of a winter day.

### **All:**

Winter sky. Blowing the snow around me.  
Falling down. Far as the eye can see.  
Evergreens bearing the weight of snowfall.  
Beauty breaks here on this winter walk.  
Oh.  
Oh.

## **Red Bird**

Red bird singing from the old pine tree.  
Hidden in a stand of evergreens.  
Horse-drawn sleigh movin' on its way in a winter scene.  
Holly berries peeking through the snow.  
Crimson like the feathers with their glow.  
Ivy vines with their leaves entwined where the pine trees grow.

### ***\*BA & AH Sing Echo both times***

Red bird, sing for me,  
from your perch in that tree.  
Red bird, won't you stay?  
Red bird, don't fly away.

## **Get Your Winter On**

### **Verse:**

I wanna stay, stay until the snow falls.  
I wanna go, go out while it's chilly.  
I wanna play, play until I'm frozen to my toes.

I wanna see, see the winter moon rise.  
I wanna fly, fly like a snow angel.  
I wanna dance,  
dance until my nose and cheeks all glow.

### **Bridge:**

As long as it's cold out,  
Gonna go with the flow.  
Winter's gonna be here for a while anyway,  
you know? So...

### **Refrain/Chorus:**

Enjoy!  
Have fun!  
Do stuff!  
Get your winter on!  
Enjoy!  
Have fun!  
Do stuff!  
Get your winter on and on!

### **Coda:**

Enjoy! Have fun! Do stuff!  
Get your winter on!

Enjoy! Have fun! Do stuff!  
Get your winter on and on and on and on!

***\*HB & LJ sing echo on repeat***
